DETAILED ACTION

This office action is in response to Applicant's Request for Continued Examination filed 12/22/09. Claims 1, 3-4, 6-13, 15 and 17-23 are pending with claims 1 and 13 in independent form. Claims 2, 5, 14 and 16 are cancelled.

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 12/22/09 has been entered.

Allowable Subject Matter

2. Claims 1, 3-4, 6-13, 15 and 17-23 are allowed.

The following is an examiner's statement of reasons for allowance: Applicant's arguments on Pages 9-13 of the Response filed 12/22/09 are persuasive and have overcome the prior art rejections of Armuzzi and Sloan. The prior art of record fails to teach or fairly suggest to one of ordinary skill in the art, in conjunction with all the other limitations of the claims:

With respect to claims 1 and 13 and all their respective dependencies:

- A microcircuit card and a method of configuring a microcircuit card having a receiver means for receiving a command in accordance with an SMS type protocol, means for modifying at least one characteristic of the performance of the card on reception of the command where the modification means can be used after a step of personalization of the card and cryptographic means for authenticating the sender of the command, in combination with all the other limitations of the claims

The prior art of record fails to provide sufficient teaching or motivation to one of ordinary skill in the art to provide the additionally recited features of these claims in the combinations as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
